

WELCOME

Innovation, expertise and responsiveness have been the hallmarks of HarrisonParrott ever since its foundation in 1969 when Jasper Parrott and Terry Harrison pioneered a new approach to artist and project management. Today, that restless and challenging spirit is stronger than ever, shared across one of the most experienced teams in the business.

We have more than 70 employees who speak a total of 8 European languages as well as Japanese, Mandarin, Cantonese and Russian. With offices in London, Munich and Paris, we operate on a truly global scale.
