

WELCOME

Innovation, expertise and responsiveness have been the hallmarks of HarrisonParrott ever since its foundation in 1969 when Jasper Parrott and Terry Harrison pioneered a new approach to artist and project management. Today, that restless and challenging spirit is stronger than ever, shared across one of the most experienced teams in the business.

With over 75 employees, speaking more than 20 international languages, and offices in London, Munich and Paris, with representation in Beijing, we operate on a truly global scale.
