WELCOME

Innovation, expertise and responsiveness have been the hallmarks of HarrisonParrott ever since its foundation in 1969 when Jasper Parrott and Terry Harrison pioneered a new approach to artist and project management. Today, that restless and challenging spirit is stronger than ever, shared across one of the most experienced teams in the business.

With over 90 employees, speaking more than 20 international languages, and offices in London, Munich, Paris and Madrid with representation in Beijing, we operate on a truly global scale.

ABOUT DANCE

We provide services for dancers, choreographers, specialist ballet conductors and individuals complimentary to the world of dance. Our experienced and dedicated team of dance specialists have a long history and established track record within the world of dance. We aim to give tailored support and advice to our clients whilst continuing to build and expand our network and relationships and explore connections in untapped cultural markets.

ABOUT BIRDSONG

Birdsong Music Publishing is a full, bespoke publishing and (if needed) management service that is tailored to the composer's needs.

We help composers to find and negotiate commissioning opportunities, to get engaged in interesting projects and to secure sync deals. In addition, our team can offer individual composer management offering the opportunity to benefit from the additional support a full service management company can offer.

Virtual Circle

Virtual Circle is an online streaming platform where you can watch innovative and high quality concerts, album launches, and workshops from across the music and arts world.

Our platform not only provides audiences with multiple interactive features, but also in-platform promotional opportunities for clients, and the ability to customise their concert page for brand promotion.

Take a look at our website to find out more about our upcoming concerts and contact the Virtual Circle team if you would like to host a concert on the platform.
